THE ENDLESS FRONTIER FOUNDATION NEWSLETTER

REMAIN.

By Holly Wafula

Abide.

Steadfast in the faith.

Eyes and heart and mind fixed on The Lord.

Feet fixed on the path that He has laid out before each one of us. Not moving to the left or the right. Steady on with Jesus, He knows the way, He IS The Way.

Led in love, filled with peace, and followed by goodness and mercy, we are surrounded.

Whether your current view is sunsets over the ocean or valleys full of shadows, we continue on because He is there, and He is the same. Our paths may wander through different circumstances and scenes, but we are safe in Him. As we continue onward things that have come will pass... Things always come to pass.

So carry on Christian, and walk assured, all of our paths end in glory!

FEEDING PROGRAM

Highlights from Our July Feeding Programs

In July, our Feeding Program brought together hundreds of children for two separate events. On Saturday, July 6th, we hosted a large-scale feeding program at Soweto Academy, where we welcomed an incredible turnout of around 700 attendees. The children not only enjoyed a delicious meal of rice and ndengu but also participated in fun activities and listened to a Bible lesson. The school management had been unsure if we could handle such large numbers, but as we left, they were already asking when we would return! Another positive outcome was that our head cook for the feeding programs was offered a job in their school kitchen during the week!

Two weeks later, on Saturday, July 20th, we partnered with the Tunedem Foundation for another event at Academia. This feeding program brought together 150 students for a lively music session, a Bible lesson, and a shared meal. We are deeply grateful for the support of our volunteers, whose dedication makes these events possible. Your contributions help us continue to serve our community and spread the message of Jesus Christ, and we couldn't do it without you!

SCHOOL MINISTRY

July and August Highlights

In July, our School Ministry program visited several schools, including Elyons Academy where we minister to 40 children, Joy Spring Educational Centre with 240 students, St. Juliet Educational Centre with 135 students, and K.A.G. Primary School with 480 students totaling to 895 children every week. At each school, our staff and volunteers had the opportunity to share the gospel and connect with students.

With the arrival of the August school break, we paused our regular school ministry activities and redirected our efforts to other programs such as BTS, Shamiri Girls, and Listen Up, ensuring that the holiday period was filled with meaningful activities. With a month off from school and many parents busy trying to make ends meet, it is important to offer programs where young people have a place to go and something to do.

RE: THANK YOU FOR YOUR MINISTRY

To whom it may concern,

Greetings!

This hereby comes to thank you so much Team Endless Frontier for allowing your team to minister to our children throughout all our school terms upto date.

We are amazed at how wonderful God has been to us and the children are really blessed. Our experience with the team has been great and we highly commend them. We believe that throughout all the generations, the word of God will keep prevailing.

We appreciate the great work you are doing and we look forward to keep partnering with you again and again.

Blessings.

ADVENTURE

BTS Kids Explore Oloolua Forest

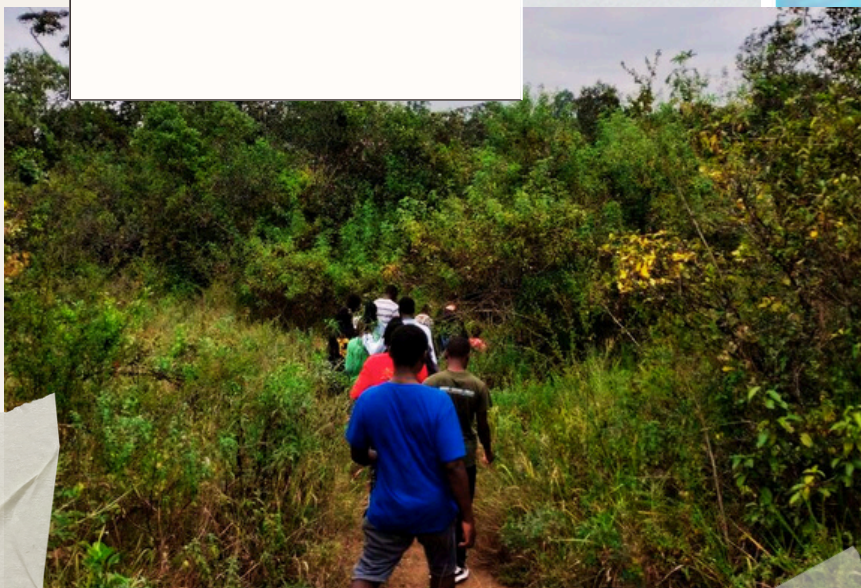

On Saturday, August 3rd, 57 of our BTS Kids enjoyed a day out at Oloolua Forest in Karen. For these children, this adventure was a significant change from their usual surroundings and offered a glimpse into a different world beyond the daily challenges they face. Some of the teens rarely leave Kibera, so a bus ride to a nearby forest was particularly special!

The children enjoyed the peaceful forest, the waterfall, and the creek. There was a noticeable contrast between their own lives and the more affluent lifestyle of their neighbors in Karen. We hope experiences like these are not only enjoyed but also serve as a reminder for them to excel academically and strive for a brighter future. Our goal for these young students is that they become rooted and grounded in Christ, growing into responsible adults who can help their families break free from the cycle of poverty and embrace a bright future in God!

KADONGO CONFERENCE

Listen Up Boys & Shamiri Girls

On Monday, August 12th, a Nairobi team of staff and volunteers arrived in Kadongo, Homabay, for the Kadongo Boys and Girls Conference. Hosted by John and Chami, the group included Brian, Geoffrey, Rodgers, Cynthia, and Luciano, led by George and his wife, Alice. The week was carefully structured, beginning with two days focused on ministering to the girls through morning devotions, Bible lessons, games, and Q&A sessions. Meanwhile, the men took charge of meal preparations, ensuring timely breakfasts and lunches.

On Thursday and Friday, the roles reversed, with the men leading activities for the boys and the women managing the kitchen. This approach allowed the team to effectively reach out to about 150 young people. The theme for the week was "Identity." We addressed questions like, "Who am I?" "Why am I here?" "Who do I look to?" and "Who can I become in Christ?"

As a parting gift, the ladies received gift packs containing sanitary towels, innerwear, toothpaste, and toothbrushes, while the men were given boxers, crocs, toothpaste, and toothbrushes.

We are so grateful for the team who served and pray that a lasting impression has been made on these young people. In a place where mentors and good examples are scarce and negative influences are rife, we pray that the light of Jesus continues to shine, drawing lives to the Savior!

TUMAINI YOUTH CONFERENCE

A partnership with Tumaini Church

In Nairobi, we had the privilege of partnering with a local church for their Youth Conference, which took place from Thursday, August 15th, through Saturday. This event was a collaborative effort with Tumaini Church. Over the years, we have partnered with this church in various ways, including through our Feeding Program and our mentorship programs Shamiri Girls and Listen Up.

This year's conference embraced the theme of "Courageous Living." Holly shared a message on resilience, while Niko spoke on courageous living, focusing on the story of the 12 Hebrew spies, and also took on the role of Master of Ceremonies, ensuring the event ran smoothly. Our team of volunteers was also involved, from preparing and serving meals to engaging attendees in various games and activities.

The conference wrapped up with an exciting volleyball tournament, where our newly formed team emerged as champions. It was a great time together, and we are always grateful for any opportunity to share the message of Christ and serve our community!

BTS WEEK

"Built on the Rock"

BTS Week kicked off on Wednesday, August 21st, and wrapped up on Friday, August 23rd, with the theme "Built on the Rock," inspired by the parable of the Wise and Foolish Builders from Matthew 7:24-27. The program included Bible lessons, delicious meals, worship time, and practical life skills training, covering areas such as decision-making, self-awareness, and stewardship.

The week saw a substantial turnout, starting with 181 students and 26 volunteers on the first day and growing to 193 students by the final day. In total, around 230 students were engaged and ministered to during this three-day program. We earnestly hope that the lessons learned and experiences shared will have a lasting impact on these young lives.

Our aim is to present the Gospel in a way that resonates with young people from the slums, ensuring that our programs are both enjoyable and educational. We understand that true impact comes through the guidance of the Holy Spirit, and we rely on His support throughout our efforts.

We are deeply grateful for your ongoing prayers and support, which are crucial in helping us reach out to this community with the love of our Savior, Jesus Christ. Thank you for being a part of this meaningful journey.

THE 2024 NAIROBI GIRLS' CONFERENCE

Our 2024 Girls' Conference was held on Saturday, August 24th, with 148 girls in attendance. The day included fun music and dancing, a lesson on identity and becoming a new creation in Christ, a testimony from a Shamiri leader, lunch, and bracelet-making so that each attendee could leave with a reminder of what they had learned.

We wrapped up the day by gifting each participant a gift pack 📦 with essential items, including underwear and sanitary towels. We are grateful for everyone who helped make this event so special!

DELPHI, IN 46923

After three months of engaging with our Young Adults each Friday for two hours, we wrapped up our time together on August 28th. Our final day was a yummy one, with our awesome kitchen team serving a delicious meal to celebrate. Each staff member took time to share a final message of encouragement as many of the young adults head off to jobs and university.

We sincerely hope that the messages of hope and instruction they received will continue to resonate in their lives. To our Young Adults: As you go, go with God!

SPORTS MINISTRY

Introducing Our New Volleyball Team!

We have an exciting update from our Sports Ministry! In addition to our soccer team, we have recently launched a new volleyball team. We're pleased to announce that the team has performed exceptionally well, winning their first game at a recent tournament held at Tumaini Church.

As we continue to support and develop this new team, we look forward to purchasing jerseys, volleyballs, and a net. This new team is a fantastic way to engage with schools, teachers, and students. After each match, we enjoy tea and mandazis while sharing a devotion.

Stay tuned for more updates!

Thank You

To all who give:
Giving in time,
Giving in prayer,
Giving financially:

We thank our God upon every remembrance of you,
Always in every prayer of ours for you making request with joy,
For your fellowship in the gospel from the first day until
now; Being confident of this very thing, that he which hath begun
a good work in you will perform it until the day of Jesus Christ!
